

GEMINI GEMINI DAYBED COUCH

Our newest design, Gemini Daybed Couches come in pairs allowing the flexibility of a corner sectional, conversational seating or a Queen sized bed. Each frame is handcrafted in our Cambridge workshop with High Resiliency cushions.

- ✦ Create corner sectional in a living room, spare bedroom or office.
- ✦ At 30" deep, each are optimum depth for a couch when used with a pair of Sofa Back Bolsters.
- ✦ At 80" long, each Gemini can sleep a guest, or slide the two together to form a standard Queen bed (60"x80").
- ✦ Zippered covers come off for easy washing.
