

# 6" COTTON & WOOL

## FEATURES

- 1 For added strength, the heavy cotton twill outer shell is constructed like a box - with top, bottom and side panels; not like a pillow, as on other futons.
- 2 Our futons have 25% more lace tufts than the competition.
- 3 We 'crown' each futon across the middle with several pounds of cotton top and bottom for extra comfort and support.
- 4 Double-stitched seams won't split or unwind.
- 5 50 lbs of custom-blended "JOY cotton batting, the densest, most durable in the world, using nothing but the purest cotton picker and linter available.
- 6 A plush 1" layer of superior New Zealand virgin wool surrounds the foam and cotton inner core.
